

# Low Emission Development Strategies: Examples from MENA Region

Nurzat Myrsalieva  
17 April, 2015

**RCREEE** 

Regional Center for Renewable Energy and Energy Efficiency  
المركز الإقليمي للطاقة المتجددة وكفاءة الطاقة

## ■ Objectives

- Highlight **opportunities** for development of LEDS in the energy sector within the current context of MENA countries
- Provide **baseline assessment** of sustainable energy policies and institutional frameworks
- Highlight **positive examples** of policies to promote sustainable energy investments

# About RCREEE

- Independent regional inter-governmental organization
- 16 member states
- National focal point in every country
- In operation since 2008
- Headquartered in Cairo, Egypt

**RCREEE**  
Regional Center for Renewable Energy and Energy Efficiency  
المركز الإقليمي للطاقة المتجددة وكفاءة الطاقة
